MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Realignment of the ODASA, Resource Analysis & Business Practices,
~~under the ODASA, Cost & Economics, and the Army Budget Office~~

1. Effective immediately, the Office of the Deputy Assistant Secretary of the Army, Resource Analysis & Business Practices (ODASA-RB) will be realigned under the Office of the Deputy Assistant Secretary of the Army, Cost and Economics (ODASA-CE) and the Army Budget Office (ABO). Specifically, DASA-RB AAFES and MWR/NAF program analysis will transition to ABO and all other analyses will transition to DASA-CE. I have directed the DASA-CE, in coordination with ABO, to execute this organizational realignment.

2. The incorporation of the ODASA-RB into ODASA-CE and ABO will tremendously increase the value of analyses produced within the ASA(FM&C), as it will synthesize ODASA-CE's and ABO's existing efforts with the ODASA-RB's policy and business practices research capabilities. The realignment of positions will benefit the organization by more closely matching work requirements with Senior Leadership's needs, achieving synergy and optimizing analytic skills of ODASA-RB, ODASA-CE and ABO employees.

3. Should you have any questions, please contact Mr. Steve Bagby: (703) 692-1722 or stephen.bagby@us.army.mil.
