SUBJECT: Academic Degree Training (ADT)

As a result, all applications for civilian ADT approval will be sent through the DCS, G-37/TRV to the Assistant Secretary of the Army (Manpower and Reserve Affairs) (ASA(M&RA)). New procedures will be outlined in the Civilian Functional Training Interim Guidance (October 2009) and incorporated into a revised Chapter 4 of the Army Civilian Training, Education and Development System (ACTEDS) Training Catalog.

3. As established in reference 1e and 1f, the Assistant Secretary of the Army (Manpower and Reserve Affairs) (ASA(M&RA)) retains the authority to approve civilian academic degree training, regardless of funding source (i.e., local, command or ACTEDS funded). The only exceptions are:

(1) Employees selected to attend the Defense Comptrollership Program may take ADT training in conjunction with those programs,

(2) Acquisition Corps members seeking to meet Defense Acquisition Workforce Improvement Act (DAWAIA)/Acquisition Corps may take ADT identified in their Acquisition Corps individual development plans,

(3) Army Medical Command (MEDCOM) civilian employees competitively selected to participate in the Army-FSU Master of Social Work Program, and

(4) Career Program 11, Comptroller, careerists selected to participate in the Department of Defense (DoD) Inspector General (IG) program at Georgetown University.

4. Academic degree training is defined as training or education with the stated objective of obtaining an academic degree. The academic degree MUST be related to the performance of the employee's official duties and part of a planned, systemic and coordinated program of professional development, endorsed by the Army.

5. Short-term academic training (120 days or less) may be approved by managers and supervisors for short term training including individual college/university courses when the required knowledge, skills, and abilities from the classes bear a direct relationship upon the performance of official duties. If the purpose of the job related training is to obtain a degree, prior written approval must be obtained from the ASA(M&RA).

6. The request for academic degree training must be submitted through command channels (Army Command, Army Service Component Command (ASCC), Direct Reporting Unit (DRU), or the Administrative Assistant to the Secretary of the Army for DA HQ requests) and endorsed by the appropriate Career Program Functional Chief Representative (if funded with ACTEDS) or the Career Field Functional Proponent (if locally or command funded). See ADT Approval Processing Flow Matrix.
